

Amina Al-Helali

Available for 4-8-12 months beginning January 2024

EXPERIENCE

Junior Web Communications Officer | Co-op

CIHR | Ottawa, ON | May - Aug 2023

Developed Internet and Intranet pages based on client request using HTML, CSS, and WET4 to display healthcare information

Collaborated within a cross-functional team and built a weekly internal newsletter using HTML and CSS to inform CIHR employees of important information

Undergraduate Teaching Assistant

Carleton University | Ottawa, ON | Sept - Dec 2022

Assessed 45 student submissions for an Interactive Multimedia and Design course and provided feedback to deepen their understanding of the course content

Hosted office hours and helped students review course content such as design processes, user research, web development, and accessible design

APPLIED PROJECTS

UX/UI Designer | Front-End Developer

Study Web-Application | Team project | Aug - Sept 2023

Designed and frequently iterated a responsive study web-app in Figma using user centered design principles to boost student productivity

Developed the web app with five different productivity features using React, HTML, CSS, and JavaScript

UX/UI Designer | UX Researcher

Cleanly | Solo Project | June - July 2022

Followed the Design Thinking framework to create a cleaning mobile app that assists in the building of cleaning habits

Designed wireframes, mock-ups, a style guide, and several onboarding illustrations in Figma and Adobe Photoshop

Built interactive prototypes in Figma to showcase the flow of the UX for the testing stage
